

Export Excellence Recognised

Mirage Health Group were delighted to be recognised for their excellence in export at the recent Hertfordshire Chamber of Commerce Awards. These awards, known as Inspiring Hertfordshire, are the pinnacle of achievement for a business in Hertfordshire and even to be nominated (as they also were for Business of the Year) is an honour in itself.

Export is a massive part of Mirage Health Group's business as they supply ear irrigation equipment to more than 30 countries. They always strive to provide the very best evidence based solutions in ear care to healthcare professionals around the world.

Mirage Health Group General Manager, David Caldwell, said, "I am so pleased on behalf of all the Mirage team to have won the Achievement in International Business award and also to have been shortlisted for the Business of the Year. We really do strive as a company to invest in our staff, improve our service and offer our customers the very best ear care products. Rest assured though, we won't rest on our laurels – I hope that there will be more awards to come!"

To find out more about the innovative ear care range that Mirage Health Group offer, please visit www.miragehealthgroup.com or call them on **0845 130 5440**.
